Volume 6 (1987) Subject Index

Achalasia cardia, Pneumatic Dilatation in (Short Report), 101(2).

Acid output, Gastric, and Gastric Acid Activity in Carcinoma of the Cardia (Case Report), 77(3).

Anastomosis, low rectal, EEA stapler in, 81(2).

Aspects, Chylous, following Warren Shunt (Case Report), 23(4).

Bacteremia following Upper Gastrintestinal Endoscopy, 267(4).

Beta-Glucuronidase Activity in Gastric Aspirate in Gastric Carcinoma (Short Report), 23(4).

Biliary Manometry: Does the Pressure show? (Editorial), 69(2).

Biliary Endoscopy, Endoscopic Transhepatic Placement of Stents (Case Report), 145(3).

Book Reviews, 33(1).

Candida, Gastric counts, following Gastric Surgery, 22(4).

Candidiasis, Oesophageal (Short Report), 120(3).

Cholecystectomy, Problems after Endoscopic Retrograde Cholangio-Pancreatography (ERCP) in, 11(1).

Cholecystitis, Hydatid Cyst: Masquerading as (Case Report), 181(10).

Cirrhosis, Serum Lipid and LCAT levels in Diagnosing Chronic Hepatic Dysfunction in, 201(4).

Colitis, Emphysematous, Sonography in (Case Report), 117(3).

Colon, Necrosis and Inflammation due to Pancreatitis, 170(3).

Colostomy, Continent (Short Report), 90(2).

Conference Report, 127(2), 249(4).

Cystadenoma, Diabetic, Pancreatic (Case Report), 25(1).

Diabetes in Tropics. Exocrine Pancreatic Function in Chronic Pancreatitis with and without Calcification, 85(2).

Distal Gastrectomy, Pneumatic in Achalasia Cardia (Short Report), 101(2).

EEA Stapler in Rectal Surgery, 81(2).

ERCP in post-Cholecystectomy Problems, 11(1).

Endocrine, Abdominal, with Rupture into Rectum (Case Report), 245(4).

Endoscopy, Upper GI, Bacteremia following, 207(4).

Esophagus, Gastric, in Gall Bladder (Case Report), 117(3).

Gallstones, Histopathological Staining of (Short Report), 159(3).

Gallstone Disease, Clinical and Ultrasound Profile in (Short Report), 167(3).

Gastric Lipoma Presenting with Fever and Melena (Case Report), 191(10).

Gastric Bleeding, Mycologic Fungiologists—Gastric Involvement with Mycologic Gastric Bleeding (Case Report), 229(4).

Gastric Cancer, Serum Protein Levels in (Short Report), 171(3).

Gastric Carcinoma, Beta-Glucuronidase Activity in Gastric Aspirate in (Short Report), 23(4).

Gastric Damage Caused by Different Nosocomial Agents in Raas, 137(3).

Gastroduodenal Changes and Gastric Acid Sait in Chronic Obstructive Pulmonary Disease, 77(2).

Gastrointestinal Bleeding, Lower, Giant Gastric Lipoma presenting with Fever and Melena (Case Report), 181(3).

Gastrointestinal Motility, Non-neural, Motor Abnormalities of the Upper Gastrointestinal Tract in Portal Hypertension, 9X(3).

Hepatocystic Lesions, Water Scapula, 151(3).

Hepatitis B Surface Antigen, Production of IgM-Monoclonal Antibodies against Hepatitis B Surface Antigen by Hybridoma Technique, 145(3).

Hepatocellular Carcinoma—A Study of 200 Cases, 141(3).

Histochromatic Staining of Gallstones (Short Report), 159(3).

Hybridoma technique, Production of IgM-Monoclonal Antibodies against Hepatitis B Surface Antigen by, 145(3).

Hydatid cysts, Masquerading as Cholecystic Cyst (Case Report), 187(3).

Hydroplax, hepatic, Transplant—Photographic Imaging (Short Report), 230(4).

IgM—Monoclonal Antibodies against Hepatitis B Surface Antigen, Production by Hybridoma Technique, 145(3).

Index to Advertisers, 40(2), 116(2), 161(2), 256(4).

LCAT and Serum Lipid in Chronic Hepatic Dysfunction in Liver Cirrhosis, 201(4).

LCAT and Lipoproteins in Chronic Liver Disease (Editorial), 197(4).

Lipid and Serum LCAT levels in Chronic Hepatic Dysfunction in Liver Cirrhosis, 201(4).

Lipoproteins and LCAT in Chronic Liver Disease (Editorial), 197(4).

Lundh test: Exocrine Pancreatic Function in Chronic Pancreatitis with and without Calcification, 85(2).
Malabsorption, Intestinal, in the Tropics, Evaluation of Surface Area, Corrected Peak Blood Xylose as a screening test of, 89(2).

Manometry, Biliary: Does the Pressure show? (Editorial), 69(2).

Mycosis fungoides, Gastric involvement, with Massive GI Bleed (Case Report), 239(4).

News and Notices, 13(1), 70(2), 106(2), 146(3), 213(4).

Noradrenaline, Effect on Intestinal Digestive and Absorptive Functions in Protein Deficient Rat, 39(1).

Nutrient Digestion and Absorption, Effect of Noradrenaline on, in Protein Deficient Rat, 39(1).

Jaundice, Obstructive, Malignant, Endoscopic Transpanillary Placement of Biliary Endoprosthesis in (Case Report), 115(2).

Oesophageal carcinoma, Nasojejunal Feeding following Surgery for (Short Report), 155(3).

Oesophageal Ulcers, formation following Sclerotherapy, Factors influencing, 21(4).

Oesophageal varices: Factors influencing Oesophageal Ulcer formation following Sclerotherapy, 21(1).

Pancreatic Cancer in Siblings with Tropical Pancreatitis (Case Report), 185(3).

Pancreatic function, Exocrine, in Chronic Pancreatitis with and without Calcification, 85(2).

Pancreatitis, Colon Inflammation and Necrosis due to, 17(1).

Pancreatitis, Chronic, with and without Calcification, Exocrine Pancreatic Function in, 85(2).

Pancreatitis, Tropical, Pancreatic Cancer in Siblings with (Case Report), 185(3).

Pepsinogen, Serum, in Gastric Cancer (Short Report), 171(3).

Phenol, Evaluation as a Venous Sclerosant, 211(4).

Portal hypertension, Mucosal Abnormalities of the Upper Gastrointestinal Tract in, 95(2).

Post-Cholecystectomy Symptoms, Diagnostic Evaluation of (Editorial), 50(1).

Protein deficient Rat, Effect of Noradrenaline Enanhydro on Intestinal Digestive and Absorptive Functions in, 39(1).

Pulmonary Disease, Chronic Obstructive, Gastric Acid State and Gastroesophageal Reflux in, 77(2).

Rectal Ulcer, Solitary, Clinical Spectrum of, 31(1).

Rotavirus antibody in different age groups, 39(1).

Sclerotherapy: Evaluation of 3% Phenol as a Sclerosant, 211(4).

Sclerotherapy, Endoscopic, Factors influencing Oesophageal Ulcer formation following, 21(1).

Sonography in Emphysematous Cholecystitis (Case Report), 117(2).

Sphincterotomy, Endoscopic, Diagnostic Papillotomy, Application in diseases of Cholangio-Pancreatic Tracts, 25(1).

Steatorrhea, Exocrine Pancreatic Function in Chronic Pancreatitis with and without Calcification, 85(2).

Surgical Sutures (Editorial), 133(3).

Technetium-phosphate Scanning in Hepatic Hydrothorax (Short Report), 235(4).

Warren Shunt, Chylous Ascites following (Case Report), 24(4).

Water Sealing, Hepatectomy with the use of, 15(1).

Wilson's disease—A study of 12 cases (Short Report), 227(4).

Xylose, Surface Area Corrected Peak Blood Level, Evaluation as a screening test of Intestinal Malabsorption in the Tropics, 89(2).
