Volume 15, 1996 Subject Index

Achalasia cardia
- Botulinum toxin for (SR) 97
- Dilatation using polyethylene balloon dilators (OA) 49
- Treatment (E) 82 (Correction)

Adenoma, liver cell, spontaneous, in a man (CS) 28

Alpha heavy-chain disease (OA) 46

Alpha-fetoprotein reduction in hepatocellular carcinoma (CS) 111

Amoxicillin for Helicobacter pylori eradication (OA) 1

Andrographis paniculata for liver disease (GH) 63

Angiography for lower gastrointestinal bleeding (CR) 20

Anti-inflammatory drugs and Helicobacter pylori (OA) 118

 Appendiceocutaneous fistula and carcinoid tumor (CS) 31

Ascites, resistant, and transjugular intrahepatic portosystemic shunt (SA) 55

Bacterascites, monomicrobial, in north India (OA) 86

Balloon dilatation
- Achalasia cardia and (OA) 49, (E) 82 (Correction)
- Esophagus stricture in children and (T) 14, (L) 112

Bile culture in biliary sepsis (OA) 126

Bile duct stones and laparoscopic cholecystectomy (SR) 10

Biliary malignancy and expandable biliary stents (SA) 142

Biliary prosthesis, expandable, endoscopic (SA) 142

Biliary sepsis: an ascending infection (OA) 126

Bilio-enteric anastomosis, risk factors in post-operative morbidity (OA) 4

Bismuth compound
- Chronic antral gastritis and (OA) 90

 Helicobacter pylori eradication and (OA) 1

Botulinum toxin for achalasia cardia treatment (E) 82

Vaidceswar Pradeep, Joshi Amita S, Deshpande Jaya R.
Small cell carcinoma of esophagus (CS) 108

Vaipeh Kim, See Goenka Meresh K
See Kumar Rajesh

Vazifdar Kuresh F, Wagle Suhas D, Dhir Vinay. Multiple
muosal bridgss of esophagus: an unusual cause of
dysphagia (CS) 152

AUTHOR AND SUBJECT INDEX

INDIAN J GASTROENTEROL 1996; 15(4) 167
(Correction), (SR) 97
Carcinoid tumor and appendiceocutaneous fistula (CS) 31
Carcinoma gall bladder
  surgical treatment and (SS) 77
  xanthogranulomatous cholecystitis and (OA) 122
Carcinoma, small cell of esophagus (CS) 108
Cecum
  dilatation, imipramine-induced (CR) 70
  lymphoid polyp, bled from (CR) 20
  volvulus causing intestinal obstruction (CS) 106
Celac disease in India (GHI) 135
Cholangitis in choledochocholangiostomy (OA) 4
Cholecystectomy, laparoscopic
  endoscopic retrograde cholangiography and (SR) 10
  mini-lap or, for gallstone disease (OA) 94, (L) 156
Cholecystitis, xanthogranulomatous (OA) 122
Cholecystoduodenostomy, risk factors in post-operative morbidity (OA) 4
Cholelithiasis, laparoscopic versus mini-lap cholecystectomy for (OA) 94, (L) 136
Cine-cholecystogram and esophageal manometry in scleroderma (OA) 129
Colorectal inflam.
  dilatation, imipramine-induced (CR) 70
  obstruction due to cecal volvulus (CS) 106
  tuberculosis presenting as pancolitis (CS) 105
Conference report 39, 110
Culture-negative neutroctic ascites in north India (OA) 86
Cytotoxicity for chronic antral gastritis (OA) 90
Diarrhea, nosocomial, in Calcutta (SR) 12
Duodenal ulcer
  giant (L) 33
  Helicobacter pylori eradication and (OA) 1
Duodenum
  carcinoma and giant duodenal ulcer (L) 33
  obstruction and superior mesenteric artery syndrome (CS) 148
  obstruction with hypovolemic shock (CS) 74
Dysphagia, non-ulcer, treatment (OA) 90
Eclampsia alba for liver disease (GHI) 63
Editorial note
  Meet your new Editor 81
  Prof S R Naik - Past Editor 115

Endoscopic impacted basket removal using precut papillotomy (CS) 150
Endoscopic retrograde cholangiography and laparoscopic cholecystectomy (SR) 10
Endoscopic retrograde cholangiopancreatography and pancreas divisum (OA) 7
Endoscopic sphincterotomy and laparoscopic cholecystectomy (SR) 10
Endoscopy
  hypoaesthesia and (E) 37, (OA) 40, (L) 114
  malignant gastric ulcer and (L) 79
Esophagectomy, stomach as conduit for esophagus (T) 52
Esophagus mobility disorder
  achalasia cardia treatment (E) 82 (Correction)
  cine-cholecystogram and esophageal manometry in scleroderma (OA) 129
  dilation for achalasia cardia (OA) 49
  Esophagus
  mucocele diverticulum (CS) 152
  small cell carcinoma (CS) 108
  stricture of esophagogastric junction (CS) 72
  stricture dilatation in children using balloon alongside endoscope (T) 14, (L) 112
  tuberculosis (CS) 75, (L) 157
Fascioplastic buski in pregnancy (CS) 155
Fibrinolysis for acute portal vein thrombosis (CR) 22
Functional bowel disease and psychological abnormality (OA) 43
Galactosemia and neonatal cholestasis syndrome (CS) 26
Gall bladder carcinoma
  hepatopancreato duodenectomy for (CR) 68
  surgical treatment (SS) 77
Gastroduodenal
  chemical, and Helicobacter pylori (OA) 118
  chronic active, and Helicobacter pylori (OA) 118
  chronic antral, treatment (OA) 90
  Helicobacter pylori eradication (OA) 1
Gastrointestinal hemorrhage, lower
  cecal lymphoid polyp and (CR) 20
  ectopic pregnancy and (CS) 145
  renal transplant recipient and (CR) 20
  Helicobacter pylori
  anti-inflammatory drugs and (OA) 118
  chronic antral gastritis treatment (OA) 90
  diagnosis (L) 118
eradication with therapy containing omeprazole (OA) 1
Heller's myotomy for achalasia cardia (E) 82 (Correction)
Hemorrhage, lower gastrointestinal
cecal lymphoid polyp and (CR) 20
ectopic pregnancy and (CS) 151
Henoch-Schonlein purpura, gastrointestinal involvement in
(L) 32
Hepatic failure, fulminant, and hepatocyte transplantation
(GIII) 16
Hepatitis A
IgG antibody relevance in clinical practice (L) 32
myoglobinuria and (CS) 107
spleen rupture and (CS) 30
Hepatocellular carcinoma
alpha-fetoprotein reduction in (CS) 111
emboli causing jaundice (CR) 24
Hepatocyte transplantation (GIII) 16
Hepatopancreatoduodenectomy in carcinoma gall bladder (CR) 68
Hepatoprotective agents, indigenous (GIII) 63
Hirschsprung's disease, adult (L) 79
Hydatid cyst, metabolic acidosis due to cetrimide-chlorhexidine for (CS) 104
Hypopharyngeal carcinoma, stomach as conduit for esophagus (T) 52
Hypoxia during endoscopy (E) 37, (OA) 40, (L) 114
ileum schwannoma, bleeding (CS) 149
Imipramine-induced colonic pseudo-obstruction (CR) 70
Immunoproliferative small intestinal disease (OA) 46
Index to advertisers 29, 78, 96
Indigenous drugs and liver disease (GIII) 63
Instructions to authors 35
Intestine
lymphoma, Mediterranean (OA) 46
tuberculosis and immunoproliferative small intestinal disease (OA) 46
Irritable bowel syndrome and psychological abnormality (OA) 43
Jaundice, obstructive
biliary sepsis and (OA) 126
expandable biliary stents and (SA) 142
hepatoma emboli and (CR) 24
Laparoscopic cholecystectomy
endoscopic retrograde cholangiography and (SR) 10
mini-lap cholecystectomy or, for gallstone disease (OA) 94, (L) 156
Liver
adenoma, spontaneous, in a man (CS) 28
hydatid cyst, metabolic acidosis due to cetrimide – chlorhexidine for (CS) 104
Lower esophageal sphincter, botulinum toxin for achalasia cardia (E) 82 (Correction), (SR) 97
Lymphoma, intestine, Mediterranean (OA) 46
Malabsorption
chronic calcific pancreatitis and (CR) 147
immunoproliferative small intestinal disease and (OA) 46
in India (GIII) 135
Manometry, esophageal
achalasia cardia and (E) 82 (Correction)
scleroderma and (OA) 120
Mesentery fibromatosis (CS) 101
Metabolic acidosis due to cetrimide-chlorhexidine for hydatid cyst (CS) 104
Metronidazole for Helicobacter pylori eradication (OA) 1
Mucosal bridges of esophagus (CS) 152
Neonatal cholestasis syndrome due to galactosemia (CS) 25
News and notices 27, 51, 71, 73, 89
Obituary: Prof Pram Nath Chuttani 116
Ogilvie's syndrome, imipramine-induced (CR) 70
Omeprazole for Helicobacter pylori eradication (OA) 1
Oxygen supplementation during endoscopy (E) 37, (OA) 40
Pancreas
carcinoma in tropical pancreatitis (CS) 103
divisum in a teaching hospital (OA) 7
Pancreatectoduodenectomy for periampullary carcinoma
(SR) 132
Pancreatogastrostomy versus pancreatieojunostomy for periampullary carcinoma (SR) 132
Pancreatogjunostomy versus pancreatieogastrostomy for periampullary carcinoma (SR) 132
Pancreatitis, chronic calcific, with osteomalacia and secondary hyperparathyroidism (CR) 147
Pancreatitis
chronic, and pancreas divisum (OA) 7
chronic, tropical, and carcinoma (CS) 103
gallstone, and laparoscopic cholecystectomy (SR) 10
idiopathic, and pancreas divisum (OA) 7
sump drainage of abscess (T) 99
Papillotome, precut, for removal of impacted basket (CS) 150
Periampullary carcinoma, pancreaticoduodenectomy for (SR) 132
Peritonitis, spontaneous, in north India (OA) 86
Portal hypertension
 thrombectomy for acute portal vein thrombus (CR) 22
 transjugular intrahepatic portosystemic shunt and (SA) 55
Portal vein thrombus, acute, thrombectomy for (CR) 22
Portocaval shunt, transjugular intrahepatic portosystemic shunt (SA) 55
Prepyloric diaphragm (CS) 109
Progressive systemic sclerosis, cine-esophagogram and esophageal manometry in (OA) 129
Pseudokidney sign, sonographic (L) 156
Pyloric membrane and congenital hydronephrosis (CS) 76
Rectum foreign body (L) 113
Schwannoma, ileal, bleeding (CS) 140
Scleroderma, cine-esophagogram and esophageal manometry in (OA) 129
Sclerosing agent for hydatid cyst, and metabolic acidosis (CS) 104
Sedation and hypoxia during endoscopy (E) 37, (OA) 40
Selected summary 77
Situs inversus and duodenal obstruction (CS) 74
Spleen
 hematoxia in hepatitis A (CS) 30
 rupture in hepatitis A (CS) 30
 tear in abdominal trauma (CS) 153
Spontaneous bacterial peritonitis in north India (OA) 86
Stomach
 carcinoma, endoscopy for (L) 79
 carcinoma and hematuria (CS) 102
 conduit for esophagus (T) 52
 jolt causing gastroesophageal injury in abdominal trauma (CS) 153
 outlet obstruction due to prepyloric diaphragm (CS) 109
 tear in abdominal trauma (CS) 153
Streptokinase for acute portal vein thrombus (CR) 22
Sucralfate for chronic antral gastritis (OA) 90
Sump drainage of pancreatic abscess (T) 99
Superior mesenteric artery syndrome following small bowel resection (CS) 154
Thrombectomy for acute portal vein thrombus (CR) 22
Tinospora cordifolia for liver disease (GI) 63
Transjugular intrahepatic portosystemic shunt (SA) 55
Tropical sprue in India (GI) 135
Tuberculosis
 colonic, presenting as pancolitis (CS) 105
 esophagus (CS) 75, (L) 157
 intestine, and immunoproliferative small intestinal disease (OA) 46
 spinal, presenting as esophageal stricture (CS) 72
Ulcerative colitis, free peritoneal gas in (L) 112
Urea broth, modified, versus Christensen’s, for Helicobacter pylori (L) 113
Variceal bleeding and transjugular intrahepatic portosystemic shunt (SA) 55
Web, prepyloric (CS) 109
